December 2011

Installing Data

1. Insert the Demand Insight Financial DVD in the media drive.
2. Open the file list of the Demand Insight Financial DVD in Windows Explorer.
3. Double click the self-extracting file:
MapInfo_Demand_Insight_2011_DATA.exe
4. If you are installing to the default location on Windows XP, Windows 7 (32-bit) or Server 2003, click Unzip.
5. If you are installing to a non-default location or Windows 7 (64-bit), browse to or type your new location in the 'Unzip to folder:' box and click Unzip. (The default location for Windows 7 (64-bit) is C:\Program Files (x86)\MapInfo\AnySite_US\Data\ASDE)
6. If the files exist, click 'OK' to overwrite them if prompted.
7. Click Close.

Installing ART Files

1. Insert the Demand Insight Financial DVD in the media drive.
2. Open the file list of the Demand Insight Financial DVD in Windows Explorer.
3. Double click the self-extracting file:
MapInfo_Demand_Insight_2011_ART.exe
4. If you are installing to the default location on Windows XP, Windows 7 (32-bit) or Server 2003, Click Unzip
5. If you are installing to a non-default location or Windows 7 (64-bit), browse to or type your new location in the 'Unzip to folder:' box and Click Unzip. (The default location for Windows 7 (64-bit) is C:\Program Files (x86)\MapInfo\AnySite_US\ART Files)
6. If the files exist, click 'OK' to overwrite them if prompted.
7. Click Close.

Installing the License

Not all customers receive a new license. If you receive new license media with your AnySite US Demand Insight Financial 2011 Update, you must install the license file.

1. Place the License CD in the DVD drive.
If the installation does not automatically start, click **Run** from the Microsoft Start menu, browse to the DVD drive, and select **INSTALL.EXE**.
2. In the License Installer screen click **Install** to copy the license file to your AnySite ASDE folder (for example, C:\ProgramFiles\MapInfo\AnySite_US\Data\ASDE is the default location).
3. A notice dialog appears. Click **OK** when prompted that the installation is complete.

If the license installation is not working, point to the license file using AnySite Configurator:

1. Open the AnySite Configurator.
2. From the **Tools** menu, select **ASDE Settings**.
3. In the License Path text area, click the **Browse** button and point to the new license file (for example, C:\ProgramFiles\MapInfo\AnySite_US\Data\ASDE\[NAME].lic).
4. Click **OK**.

Importing ART Files

After installing, import the ART files.

1. Launch the Configurator.
2. From the **Tools** Menu, select **Import Preferences**.
3. In the Import Preferences dialog:
 - a. From the **Look in** list, select the **ART Files** folder where AnySite is installed. The default location is C:\ProgramFiles\MapInfo\AnySite_US\ART Files.
 - b. From the list of files, select the **MapInfo US 2011 Demand Insight.artfile**.
 - c. Click **Open**.
4. In the Select Preferences to Import dialog, select all of the reports in the list and click **OK**. Choose to overwrite the existing files if prompted.

Your data update is now complete. Restart AnySite to begin working with the data.
